

## CERTIFICATE OF ANALYSIS

**Product Name:** Co-extruded rubber seals / Goma Puertas con Metal

**Material Profile:**

**Color:** Black / Negro

**Material:** EPDM

**Technical Details:**

- |                             |              |                |
|-----------------------------|--------------|----------------|
| 1. Hardness:                | Dense Part:  | 70 +/- 5       |
|                             | Sponge Part: | 45 +/- 5       |
| 2. Density:                 | Dense Part:  | 1.35 +/- 0.1   |
|                             | Sponge Part: | 0.5 +/- 0.1    |
| 3. Tensile Strength (Mpa):  |              | ≥ 10 Mpa       |
| 4. Elongation at Break (%): |              | ≥ 350          |
| 5. Temperature Range:       |              | -40° to 120° C |
